MEMORANDUM FOR: Office of Legislative Counsel

FROM : [REDACTED]  
Associate General Counsel

SUBJECT : Abzug Letter of 10 June re Removal or Destruction  
of Records

Concerning our conversations today, I have learned that the destruction  
of records by [REDACTED] in fact was referred to the Attorney General last  
August. I also suggest that the Abzug letter does not require this information  
be furnished and I would recommend against volunteering it. [REDACTED]  
also was suspended and I suppose that information is required in response  
to the question in the penultimate paragraph.
